## OFFICIAL BIOGRAPHY

---

23 TheMiracle (born 1993 in Rome, Italy) is a singer-songwriter and record producer. He began studying classical piano at an early age, laying a profound foundation that continues to shape his approach to melody, composition, and arrangement.

Around the age of fourteen, he developed a deep interest in Hip-Hop, marking a definitive shift toward beat-making and production that reshaped his creative vocabulary. Electronic music influences would later enter through his production style in adulthood.

In 2025, 23 TheMiracle officially debuted as a solo artist. Following a pivotal collaboration with producer and songwriter Candy Wild, the two co-founded *The Wild 2ov3birds*, a creative production duo focused on pushing sonic boundaries.

Throughout 2025, he released a steady stream of singles: *One More Time* (March 21), *I Got You* (May 9), *Through My Bones* (June 20), *Sofia's Lullaby* (August 1), *Colors* (September 12), and *Lifetime* (October 24). Each release was accompanied by a highly curated visual lyrics video on YouTube. These singles culminated in his debut EP, *Us*, released on December 5, 2025.

## MUSICAL STYLE & INFLUENCES

Primarily rooted in the Pop-Folk genre, his work seamlessly incorporates heavy

rhythmic elements from Hip-Hop and textured Electronic production. Influenced by heavyweights like Ed Sheeran, Jon Bellion, and Avicii, 23 TheMiracle balances acoustic authenticity with stadium-ready modern production.
